

Make every drop of your time and money count with our **Automatic Payment Plan.**

What are the advantages of the Automatic Payment Plan?

You can save time and money because your bill is automatically paid on its due date each month. This eliminates check writing, trips to pay your bill and/or postage, and any chance of a late charge or collection fee.

Is the Automatic Payment Plan safe and secure?

Yes. Simpson Water and our financial institution are required to keep your banking information confidential.

What if I don't agree with the amount on my water bill?

If you have any questions, contact our office at 270-598-9926 as soon as possible after receiving your bill.

When would the Automatic Payment Plan start?

Automatic payments will begin with your next billing cycle. A message will appear on your monthly statement when your account has been set up for automatic payment. If you would like to stop the Automatic Payment Plan, notify us and your request will become effective within 10 working days after receiving your notification.

How can I enter to win the quarterly \$25 prize?

You will be entered into our quarterly drawings as soon as your account is set up on the Automatic Payment Plan. Complete the form below and return it with a voided check, along with your monthly payment. You will be eligible to win as long as your account stays on the Plan. You could be the next winner!

Simpson County
Water District
